 Assessment Status Definitions**

Assessment Status	When Status is used	Notes
Assessment Requested	When Assessment is created; not ready to be scheduled yet	
To be Scheduled	Assessment is ready to be scheduled by Contractor	
Scheduled	When contractor Schedules Assessment	
Inspected with Non-Compliant	After Assessment or Inspection is done by Contractor and findings are entered	This Status is only changed by the Contractor or DAIL
Approved	After Assessment or Inspection is done by Contractor, findings are entered, and all items meet requirements.	This Status is only changed by the Contractor or DAIL
Cancelled	A status DAIL may use	If an agency feels an Assessment should be Cancelled, contact DAIL
