PLEASE READ/REVIEW:

1:30 – 2:30	ANNKISSAM WEBINAR: EDI AUTOCLAIM	JASON/ANNKISSAM

Description: We have set up a webinar with Annkissam, the software company that ARIS uses to manage payroll for self-directed services. Annkissam will being providing a demo of "EDI Autoclaim", a software tool used

to auto generate claims billing files for self-directed services. We have opened up participation in this webinar to statewide participants, and sent webinar information to DS directors, CFOs, and billing managers. The webinar will be broadcast from the conference room for work group members who are attending in person.

2:30 – 2:40	ANNKISSAM WEBINAR DEBRIEF	ALL

Description: The workgroup will discuss how to best summarize and distribute the information that was discussed in the Annkissam webinar, what questions if any might need follow up, and what the process is for getting questions answered and for making the information widely accessible.

2:40 – 2:55	BRAINSTORM DISCUSSION: CLAIMS VOLUME	ALL

Description: The State is working to prepare the MMIS and associated business processes for increased volume resulting from the activation of DS encounter data. The work group will host a high-level discussion of claims billing practices (frequency of submission, etc.). The goal is to inform this preparation, and also assess if there is need/opportunity for additional provider education and support.

2:55 – 3:00	WRAP UP AND PLANNING FOR FUTURE MEETINGS	

The previously scheduled encounter data work group meeting on 7/5 has been cancelled. The

workgroup will reconvene on 7/17. Let's
discuss and plan for any topics that we should
cover at that meeting.

OUR NEXT MEETING'S DATE: WEDNESDAY JULY 17TH **2:30 – 4:00PM**
