

## Walking the Talk of Presuming Competence – Part II

October 10, 2018

### Q & A with Tracy Thresher

**Tracy:** *It is terrific to be presenting to you all on the splendid topic of presuming competence.*

**Question:** What do you think public schools could do better to accommodate those with a disability and support with communication?

**Tracy:** *Like to say it is all about attitude and providing opportunities for learning and inclusion.*

**Question:** Do you have a favorite teaching memory?

**Tracy:** *My favorite moments are always with the kids who get to communicate with us and have their voices heard.*

**Tracy:** *Thank you everyone. I hope that this helps you move forward with presuming competence in mind.*
