Re: Room and Board Memo – 2018 Standards Update

The Department of Disabilities, Aging and Independent Living (DAIL) has been notified that effective January 1, 2018, SSI benefits were increased by \$15 per month to reflect an increase in the cost of living (COLA). This memo is to communicate the new room & board and minimum personal spending amounts allowed under the DAIL room & board standards.

With the 2018 SSI increase, the room and board standard will increase by \$7 and the personal needs allowance will increase by \$8. Please refer to the accompanying table for exact amount based on the setting.

As a reminder, providers must ensure that individuals retain the required minimum personal spending amount listed in the table. *However, providers may choose to charge a person less for room and board payment, so the resident may retain a greater personal needs spending allowance.*

Providers must also give residents proper notice of any change in room & board charges according to applicable licensing regulations and program standards.

Please contact your applicable state government program staff with questions.
